Project supervision of sub-contractor work or for help in completing a renovation project.

### Window Treatments and Blinds

Window treatments are my specialty! Let me create a beautiful design for you that not only looks great, but also provides the right mix of privacy and light control. I offer a wide range of custom fabrics from several suppliers, including Kasmir, Trend, Fabricut, Kravet, Stout Brothers, Carole and more.

Do you need help with blinds and shutters? I work closely with a local Hunter Douglas™ show room and can help with your selections.

Please visit my new website to see some of my most recent projects!
